

THE PRESIDENT: I do not think you even need the "at reasonable times", if you are going to provide it for both.

DELEGATE GALLAGHER: Then I would drop "at reasonable times". It was originally dropped, but the Style Committee indicated that it intended "at reasonable times" should follow the word "public", so it can be dropped, and I would do so.

THE PRESIDENT: I am sorry. I did not know that it had been returned. It was not on my copy.

Would you state it again, Delegate Gallagher?

DELEGATE GALLAGHER: I believe it should read as follows: "Each House shall provide by rule that the daily journal shall be published as soon as practicable, and that a transcript of debates may be made available to the public at reasonable times."

THE PRESIDENT: In line 18 I understand the word "provide" has already been changed to "prescribe", Delegate Gallagher.

DELEGATE GALLAGHER: That is correct, everywhere the word "provide" is used, it now reads "prescribe".

THE PRESIDENT: Is there any objection to considering an amendment to change the word "the" in line 20 to "a", and to insert after the word "shall" in line 21 the words "be made"?

The Chair hears none. This will be Amendment No. 12.

Delegate Rybczynski.

DELEGATE RYBCZYNSKI: I do object and, if I may, I would like to state my reasons.

THE PRESIDENT: Do you object to it because it is not printed?

DELEGATE RYBCZYNSKI: Well, for whatever reason is available. That is as good a reason as any, yes, sir.

THE PRESIDENT: Delegate Rybczynski.

DELEGATE RYBCZYNSKI: I do not want to be the dirty guy here, but I stood up to merely complete what had previously been done by the chamber. I deferred to Delegate Gallagher to do the same thing.

Now, we are about to put back in what we just took out.

THE PRESIDENT: Very well, your point is well taken. The Chair will recognize you to make your motion.

DELEGATE RYBCZYNSKI: Mr. President, I move that on line 20, 21 and 22 of page 7, section 3.19, that we delete the words "and that the transcript of debates shall be available to the public."

THE PRESIDENT: The words "at reasonable times" are inserted after "public". I assume you would take those out also, Delegate Rybczynski.

DELEGATE RYBCZYNSKI: Yes, sir.

THE PRESIDENT: Is there any objection to considering, although not printed, the amendment to delete from lines 20, 21 and 22 the words "and that the transcript of debate shall be available to the public at reasonable times"?

Delegate Stern.

DELEGATE STERN: Mr. President, Mr. Storm, who could not be here at this time today, asked me to introduce his motion which is lettered "K",—

THE PRESIDENT: Are you objecting to the consideration of the pending motion, because it is not printed?

DELEGATE STERN: I would not object to that, but I wonder if we could postpone it. If Delegate Storm's motion were put in we would have to change Delegate Storm's motion as it is printed.

First we would have to change it because of the last vote, and then have to change it to include the language that would be struck if this were voted upon and approved.

THE PRESIDENT: I hesitate very much to do it, but it seems to me that as a practical matter the only reasonable way to handle it then would be for somebody, if they so desire, to ask for a division with respect to section 3.19, and to make it the special order for Tuesday, also.

Delegate Stern.

DELEGATE STERN: I am not asking for that. I am just asking if we can postpone it until we put Delegate Storm's amendment in, if you will allow me to make the motion now which he requested me to do.

THE PRESIDENT: As a substitute, is that what you mean?

DELEGATE STERN: Yes, sir.
